KALEIDOSCOPE  
TECHNOLOGY™

## Incident Guarantee Program

KALEIDOSCOPE TECHNOLOGY™ stands behind its products and your personal protection!

In the unfortunate event that you are shot while wearing a KALEIDOSCOPE TECHNOLOGY™ vest, we will replace the damaged component(s) at no cost as long as the vest and a police report is provided to our Incident Guarantee Program during the first five years of ownership.

- KALEIDOSCOPE TECHNOLOGY™ Bulletproof Vests are manufactured and tested according to the following South African and International Standards -
